RATCHET COMBINATION WRENCH SET T120 FLEX

NEW!

T120 Flex – The ideal helpers in confined work areas

- Ratchet combination with 120 mm teeth for minimum return angle from 3°
- Open-end spanner with individually developed flank geometry enables the resetting of the spanner without lifting off
- Ring spanner element can pivot through 2 x 90°, for working from above or in cramped installation spaces
- Ergonomic grip design with an overall height of just 3 mm for outstanding power transmission
- Made from chrome vanadium steel, specially hardened, surface nickel-plated matt black
- Set in practical roll bag (Wrench SW 8 – 10 – 13 – 17 – 19)
